Dear Barry,

I would like to take this opportunity to share my results and the difference the LMI process has made to me personally and organizationally.

The Effective Productivity Program has immensely improved my leadership abilities, helped me organize my work and personal life, focused my goals and aspirations, and helped me become a more productive manager. I can take great pride in the amount of work I am able to handle and complete in any given day.

Through the work with LMI Canada, I have many achievements to be proud of:

- ❖ 20% Average increase in active margin across three departments, in three stores. This amounts to 10's of thousands of dollars in new revenue monthly.
- ❖ A much more strategic outlook on business growth, and team development
- ❖ Significantly stronger communication skills
- ❖ Dramatic improvement in organization

The net result is a *20:1 [based on one year]* return on my investment.

I would highly recommend LMI Canada's programs and Process to anyone that is looking for the slight edge in there business and personal lives.

Sincerely,

Jonathan Garyfalakis
